

# HOW MEAL PLANS work

## MEAL SWIPES

### JUST SWIPE & EAT

You can use your meal swipes at McCallie and Raider Zone Dining Halls for all-you-care-to-eat, home-cooked meals, as well as a made to order chef's table and grill, fresh salad and deli bars, pizza and dessert stations.

---

## FLEX BUCKS

### EAT WHERE YOU WANT

FlexBucks come with every meal plan and can be purchased separately. When you chose to eat outside of the dining halls, your FlexBucks pick up the balance (if any) after your meal swipe credit.

---

## MEAL EQUIVALENCY

### FLEXIBILITY

Choose how to use your meals - with the All Access and the Build Your Own Meal Plans you can use both an all-you-care-to-eat meal swipe and a credit towards the purchase of a meal at a participating restaurant during breakfast, lunch, dinner, and late night meal periods.
